

**Declaration And Power of Attorney For Patent Application**

As a below named inventor, I hereby declare that:

5 My residence, post office address and citizenship are as stated below next to my name,  
I believe I am the original, first and sole inventor (if only one name is listed below) or  
an original, first and joint inventor (if plural names are listed below) of the subject matter which  
is claimed and for which a patent is sought on the invention entitled:

10 SCORCH PREVENTION IN FLEXIBLE POLYURETHANE FOAMS  
(Title)

the specification of which was accorded U.S. patent application serial number 10/588,398 after  
being submitted to the USPTO on August 3, 2006 and which claims priority to (1) Israeli patent  
application no. 162450 that was filed on June 10, 2004; and (2) as a continuation-in-part  
15 application of international application no. PCT/IL2005/000554 filed on May 30, 2005.

I hereby state that I have reviewed and understand the contents of the above-identified  
specification, including the claims, as amended by any amendment referred to above.

20 I acknowledge the duty to disclose to the United States Patent and Trademark Office all  
information known to me to be material to patentability as defined in Title 37, Code of Federal  
Regulations, Section 1.56, and understand that this duty is continuous until this application  
matures into a patent.

25 I hereby claim foreign priority benefits under Title 25, United States Code, Section  
119(a)-(d) or Section 365(b) of any foreign application(s) for patent or inventor's certificate, or  
Section 365(a) of any PCT International application which designated at least one country other  
than the United States, listed below and have also identified below, by placing a check thereby,  
any foreign application for patent or inventor's certificate or PCT International application  
having a filing date before that of the application on which priority is claimed:

(1) Israeli patent application no. 162450 that was filed on June 10, 2004; and  
(2) as a continuation-in-part application of international application no.

30 PCT/IL2005/000554 filed on May 30, 2005.

I hereby claim the benefit under 35 U.S.C. Section 119(e) of any United States  
provisional application(s) listed below: NONE

35 I hereby claim the benefit under 35 U.S.C. Section 120 of any United States  
application(s), or Section 365(c) of any PCT International application designating the United  
States, listed below and, insofar as the subject matter of each of the claims of this application is  
not disclosed in the prior United States or PCT International application in the manner provided  
by the first paragraph of 35 U.S.C. Section 112. I acknowledge the duty to disclose to the  
United States Patent and Trademark Office all information known to me to be material to  
40 patentability as defined in Title 37, C.F.R. Section 1.56 which became available between the  
filing date of the prior application and the national or PCT International filing date of this  
application:

as a continuation-in-part application of international application no.

PCT/IL2005/000554 filed on May 30, 2005

45 I hereby declare that all statements made herein of my own knowledge are true and that  
all statements made on information and belief are believed to be true; and further that these  
statements were made with the knowledge that willful false statements and the like so made are  
punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States  
Code and that such willful false statements may jeopardize the validity or the application or any  
50 patent issued thereon.
